Why BHCCs?

Triage, assess,
stabilize, and provide
immediate resources
to individuals in
crisis

Provide a trauma-
informed space to receive
services from a multi-
disciplinary team
specializing in mental
health and substance
use-related crises

Provide law
enforcement a drop off
location and divert
individuals in a
behavioral health crisis
from unnecessary jail or
emergency room visits

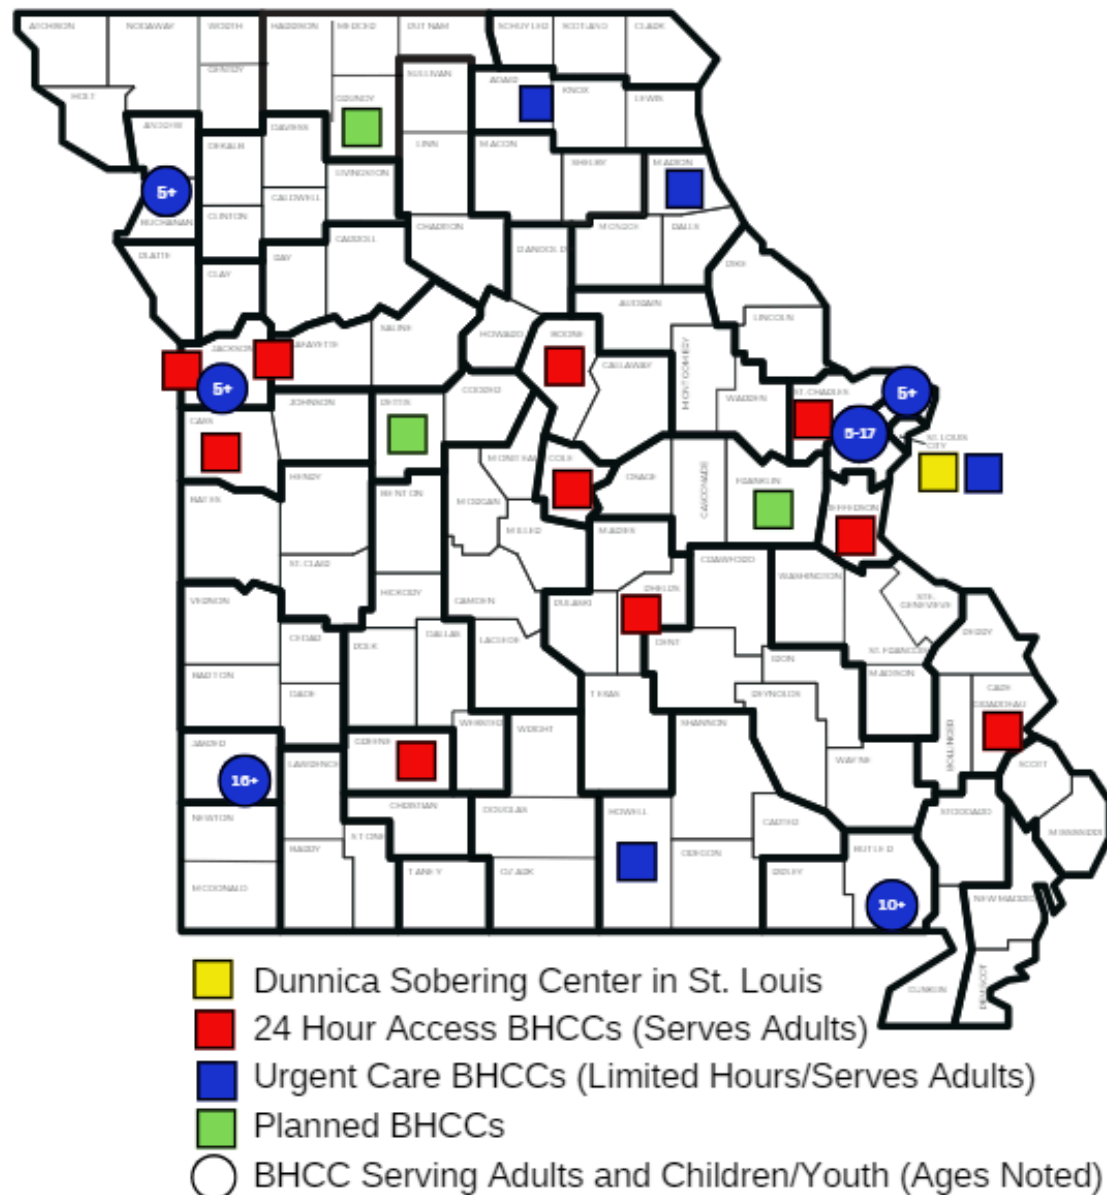

Cost savings due to
redirecting
individuals to
services matched to
their level of need
